

Group Home Program Statement

“Group Homes” are Community Care Facilities that serve children, ages 4-17. If you intend to admit children whose placement will be funded by the county, or Aid to Families with Dependent Children – Foster Care (AFDC-FC), you must submit to CCL a *Group Home Program Statement* (LIC 9106).

A *Group Home Program Statement* is a specialized Plan of Operation. A separate *Group Home Program Statement* must be completed for each distinct program operated by a provider. A group home "program" is defined as a unique combination of services to a specific population of children in one or more licensed group home facilities.

AFDC-FC rates are established for group home programs organized and operated on a nonprofit basis by the California Department of Social Services (CDSS), Foster Care Rates Bureau. CCL licenses group home facilities. A separate license is required for each facility location.

A group home program may be provided in one or more licensed facilities but each facility must be licensed separately. A group home must be licensed and have an AFDC-FC rate established in order to accept placements from county social services or probation departments. These placements are funded by AFDC-FC. AFDC-FC rates are only established for group home programs that have the written support of the social services or probation department from the host county, primary placing county or a regional consortium of counties.
