

Regional Centers We Write Program Designs For

If your regional center is on our “No” list, that only applies to a Program Design. We can prepare license applications anywhere in the state. We can also consider any other regional center products or services we offer (e.g., consultations, Face Sheets, ISP’s, etc).

Title 17, Section [56013](#), *Program Design Requirements*, defines what information a Program Design shall include. All regional centers add additional requirements of their own.

Over the past 18 years, RA Mears Consulting has written some 900 regional center Program Designs. During that time, we have created a list of regional centers that we *will* and *will not* write Program Designs for.

If your regional center is not highlighted in green or red, please contact them and request program design guidelines for the level facility you want to open. Email, fax, or mail us the guidelines and we will let you know if we can do the job.

If your regional center **does not** appear on the list, you can take these steps:

- Contact the person at your regional center that vendors new facilities.
- Request Program Design guidelines for the level facility your want to vendor.
- Email, fax, or mail those guidelines to RA Mears Consulting. We will review them and contact you to let you know if we can write the Program Design.

Note: Other regional center products we offer, such as Face Sheets, ISP’s, and Quarterly or Semi-Annual Reports are available for all of the [21](#) regional centers.

Yes

- [Central Valley Regional Center](#)
- [Frank D. Lanterman Regional Center](#)
- [Golden Gate Regional Center](#)
- [North Bay Regional Center](#)
- [Regional Center of the East Bay](#)
- [Regional Center of Orange County](#)
- [San Diego Regional Center](#)
- [Westside Regional Center](#)
- [Golden Gate Regional Center](#)

No

- Alta California Regional Center
- Far Northern Regional Center
- Harbor Regional Center
- Inland Regional Center
- North Los Angeles County Regional Center
- San Andreas Regional Center
- San Gabriel/Pomona Regional Center
- South Central Los Angeles Regional Center
- Tri-Counties Regional Center
- Valley Mountain Regional Center

Download our questionnaire to get started → [Program Design Questionnaire](#)

Program Designs require a down payment of half the total price to begin, with the remaining half due when the document is complete and ready for delivery.

<i>Program Design Level</i>	<i>Down Payment</i>	<i>Balance Payment</i>
2	\$450	\$450
3	\$450	\$450
4	\$500	\$500

You may call (619) 249-8671 *cell* or (619) 460-1143 *office* to make your down payment by credit card over the phone. Either Robert or Don can help.

If you prefer, you can send payment by mail using the details on our [Contact](#) page.

Note: See our [Complete Products & Services Price List](#) and [Policies](#) for full details. You are accountable for knowing the contents of your *Program Design* and for providing the services therein. To this end, RA Mears Consulting can provide an overview of any documentation provided to you, as needed.

Program Designs will be completed and sent by email or regular mail, as agreed on.

We cannot review any portion of a *Program Design* that you have prepared yourself. The document is too long and complex, usually taking regional center personnel weeks or months to review. It is more efficient for us to prepare a *Program Design* using our own templates.

The completed *Program Design* can be emailed or mailed, as agreed on. An emailed *Program Design* is sent in PDF format and *will not* be provided in a modifiable format (e.g., DOC, TXT). A mailed *Program Design* will require a \$25 processing fee.

Our *Program Design* is guaranteed. RA Mears Consulting will make any revisions to *our work* required by the regional center for *initial* vendorization without additional charge to you.
