

In Person and Phone Consultations Unrelated To Licensure Or Vendorization

Consultations can serve a variety of your needs. We have encountered many situations through our contacts with hundreds of facilities and can use this expertise to guide you through your individual situation. The following is a sample list of topics that can be discussed, or services that can be provided to you during a consultation:

- Problem solving issues you are experiencing with Community Care Licensing Division (CCLD) or the Regional Center (RC).
- Addressing staff or consultant issues.
- Letter writing (up to 3 pages, as time allows).
- Completing annual updated documentation required by CCLD, such as LIC 308, 309, 500, 610, 9020, Admission Agreements, and Plans Of Operation.
- Discussing CCLD deficiencies, or RC citations of Substantial Inadequacies, Immediate Dangers, or Plans Of Correction.
- Discussing RC appeals and the appeal process. The preparation of your appeal will incur an additional charge as specified in our [Products & Services Price List](#) and [Policies](#).

Please inquire about other topics of interest to you. We are experts in many issues that arise in the daily operation of a CCF.
