

LIC 610 and LIC 9282

These are two forms that many find the most challenging, and licensing Analysts can be picky about how they are filled out.

We can provide the forms to you, filled out to meet licensing requirements. Both, particularly the LIC 610, contain personal detail, such as the facility name, address, nearest hospital, etc.

You will be able to modify the form details yourself, print and save it. If you need assistance personalizing the forms, the prices in **red** will apply.

LIC 610D, LIC 610E, LIC 610C - \$40 (**\$65**)

LIC 9282 - \$50 (**\$55**)

Note: We strongly recommend you use the free Adobe Acrobat Reader program to fill the forms out. Other pdf programs can create issues, such as disappearing text, incorrect fonts, etc. You can get Adobe Acrobat Reader [here](#).
