Note: See our *Products & Services Price List and Policies*. *Regional Center Program Design Sections and Components* delivered outside of San Diego County will be sent by email, phone, fax, or regular mail, as agreed on.

Program Design Sections and Components are provided to you in DOC format so that you may incorporate them into your own application. You may purchase up to five (5) *Program Design Sections and Components*. We will make any changes to our work required by Regional Center (RC) without additional charge. This guarantee is for the **initial** RC approval. If you resubmit our product at a later date, such as for an additional facility, relocation, etc., please request a price quote to update your product. RA Mears Consulting reserves the right to see written requests for changes from the Regional Center.
