

Regional Centers We Write Program Designs For

Title 17, Section 56013, *Program Design Requirements*, defines what information a Program Design shall include. All Regional Centers add additional requirements of their own.

Over the past 11 years, RA Mears Consulting has written some 400 Regional Center Program Designs. During that time, we have created a list of Regional Centers that we *will* and *will not* write Program Designs for. If your Regional Center does not appear on the list, you can take these steps:

- Contact the person at your Regional Center that vendors new facilities.
- Request Program Design guidelines for the level facility you want to vendor.
- Email, fax, or mail those guidelines to RA Mears Consulting. We will review them and contact you to let you know if we can write the Program Design.

Note: Other Regional Center products we offer, such as Face Sheets, ISP's, and Quarterly or Semi-Annual Reports are available for all of the [21](#) Regional Centers.

Note: See our [Products & Services Price List and Policies](#) for full details. You are accountable for knowing the contents of your *Level 2 Program Design* and for providing the services therein. To this end, RA Mears Consulting will provide an overview of any documentation provided to you, as needed.

Program Designs require a \$200 down payment to begin, with the balance due when the job is complete and ready for delivery.

You will receive a one-time 10% discount on your *Program Design* if RA Mears Consulting prepared either a *Basic Part B Application* or *Prime Part B Application* for you. You will receive a one-time 25% discount on your *Program Design* if RA Mears Consulting prepared any bundled Part A and Part B license application for you.

Program Designs will be completed and sent by email or regular mail, as agreed on.

All *Program Designs* delivered electronically will be in non-modifiable PDF format and *will not* be provided in a modifiable format (e.g., DOC, TXT). RA Mears Consulting will make any revisions to *our work* required by the Regional Center for *initial* vendorization without additional charge to you.

We cannot review any portion of a *Program Design* that you have prepared yourself. The document is too long and complex, usually taking Regional Center personnel weeks or months to review. It is more efficient for us to prepare a *Program Design* using our own templates.
